INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

The Examiner's attention is respectfully directed to the documents of record in U.S. Patent No. 6,194,610 B1 which this application is for reissue thereof, as listed on the first page of U.S. Patent No. 6,194,610 B1, a copy of which is attached for the Examiner's convenience and to satisfy the requirement for a listing of documents being cited. Those documents should be available from the PTO file for U.S. Patent No. 6,194,610 B1, issued on February 27, 2001, based on application Serial No. 09/230,553, filed January 28, 1999, such that no copy thereof need be supplied herewith but will gladly be supplied upon request.

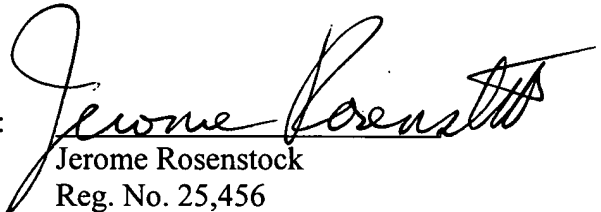

Consideration of the documents cited herein, and early and favorable examination on the merits, are earnestly solicited.

This Information Disclosure Statement is not a representation that Applicants undertook a search, or that any of the cited documents are considered most pertinent, or even that any of the cited documents are considered prior art. The Examiner is invited to undertake an independent search.

Any fees occasioned by this Information Disclosure Statement, or any overpayment in such fees, may be charged or credited, respectively, to Deposit Account No. 50-0320.

Respectfully submitted,
FROMMER LAWRENCE & HAUG LLP
